

# PBTV APP install instructions:

How to Install PBTV App on Firestick & Fire TV devices.

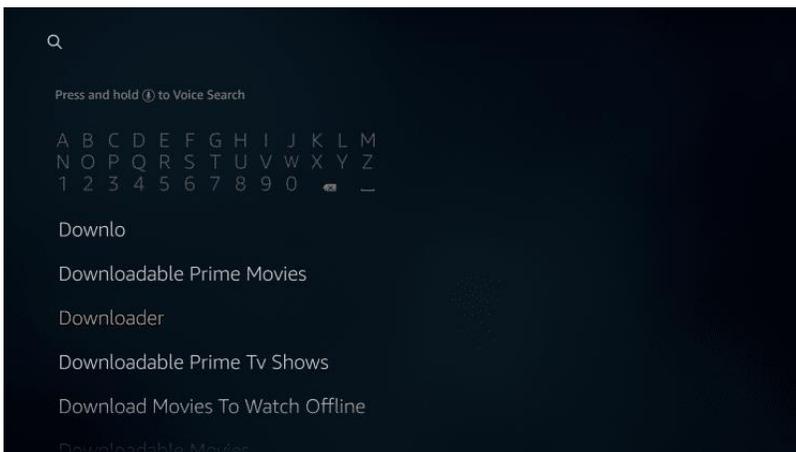

Follow this step-by-step instructions to install PBTV App on Fire TV devices.

**If you already have the downloader app installed go to step 7.**

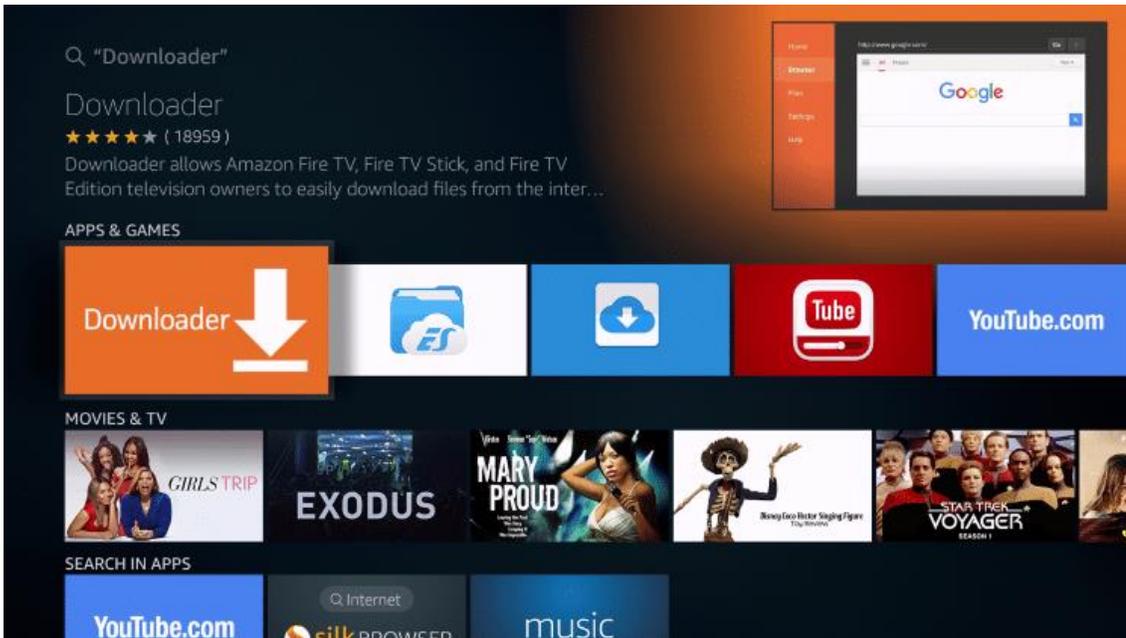

**1. From the home screen select **Find** icon, then select the **Search** icon. See Arrows below.**

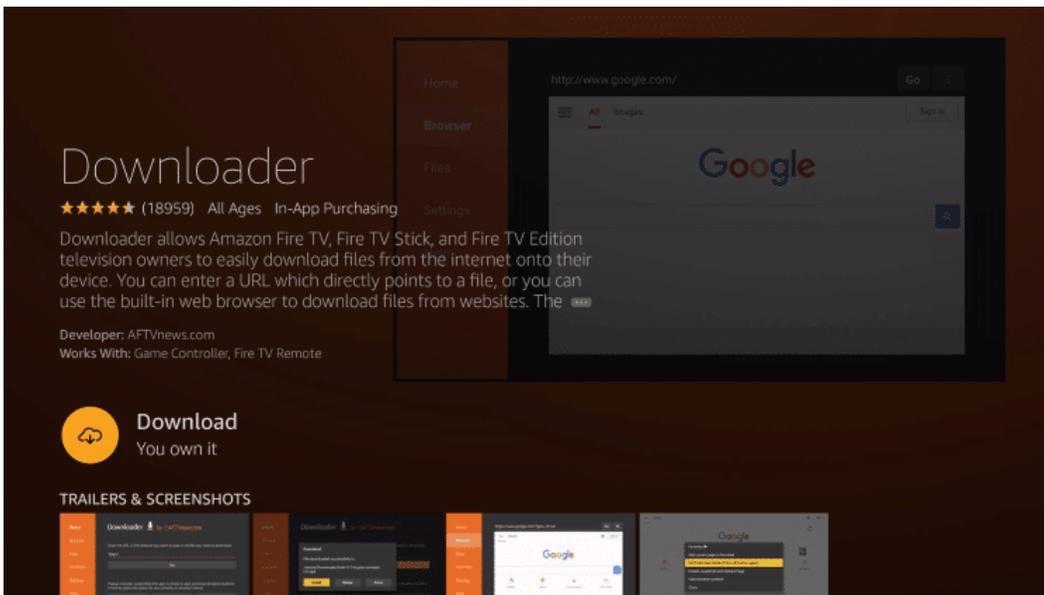

**2. Type in Downloader and then click on “Downloader” which appears toward the bottom of the list.**

### 3. Select the Downloader app

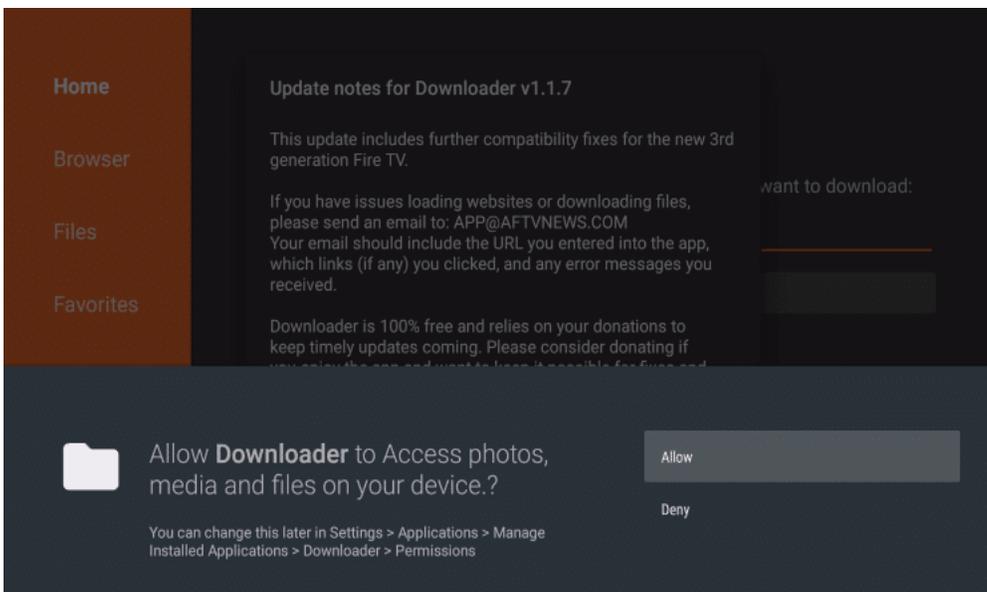

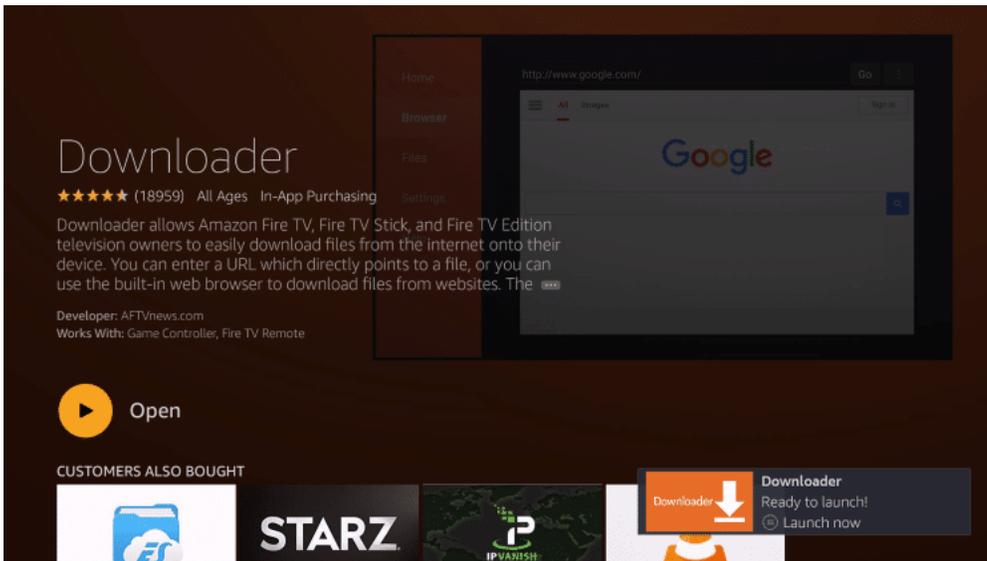

### 4. Now, Click the Download icon

## 5. Click Open and allow access.

You Allow **“MUST”** downloader to access photos, media and files on your device.

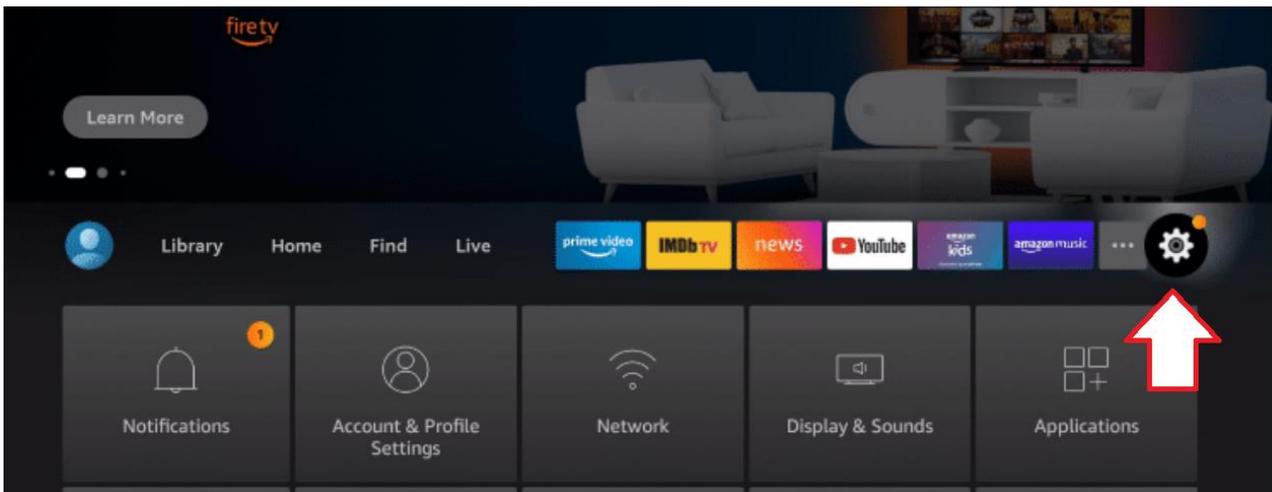

## 6. Now Click OK and select the home button

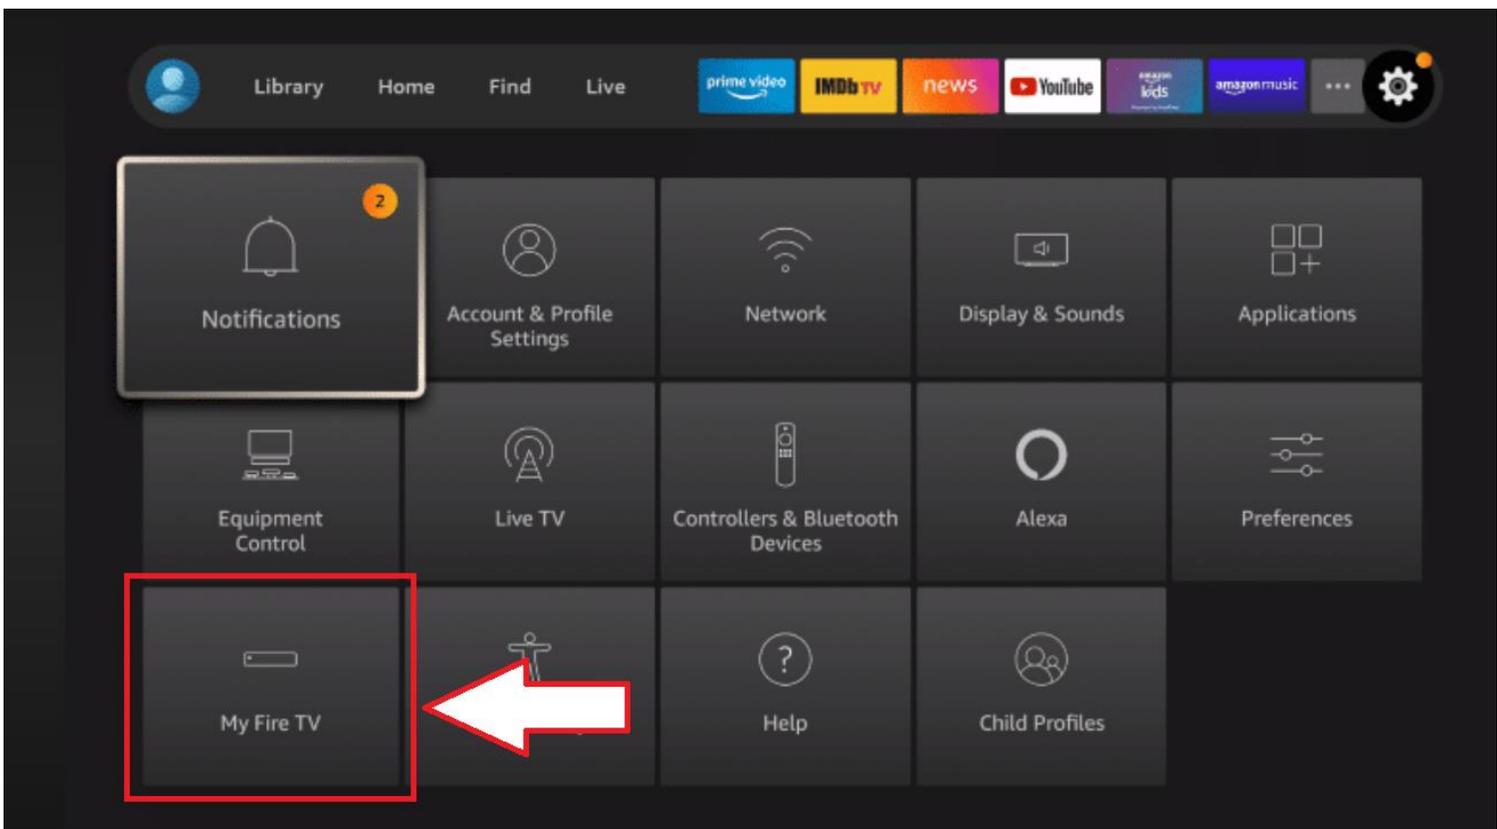

**7. From the Main Menu scroll right and select **Settings Gear Icon**. See arrow below.**

You can also hold down the HOME button on your firestick for 3 secs and then select settings.

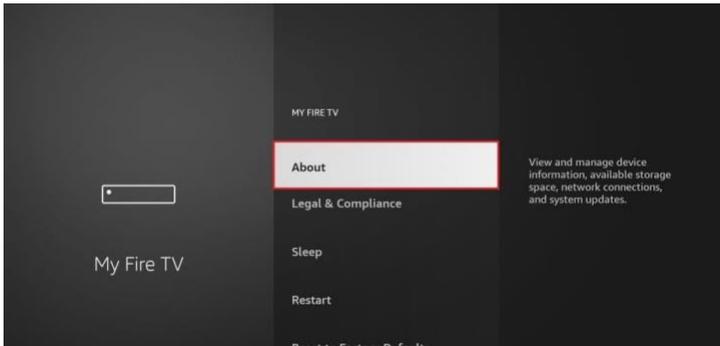

**8. Arrow Down and Select **My Fire TV****

## 9. Choose Developer Options, If not available you need to Enable the Developer Options

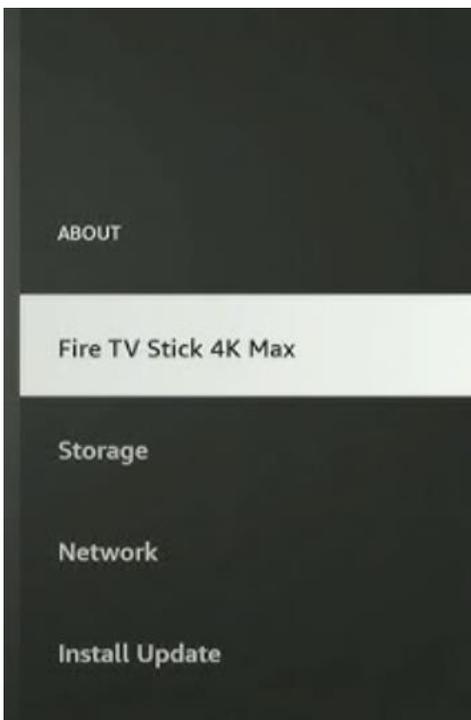

Click **About,**

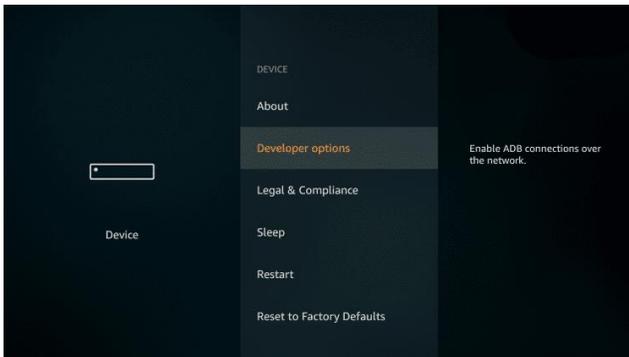

10. Now Click the Device Name: Locate the text that says, **"Fire TV Stick 4K Max"** and repeatedly press the "Select button on your remote seven times" to enable Developer Options.

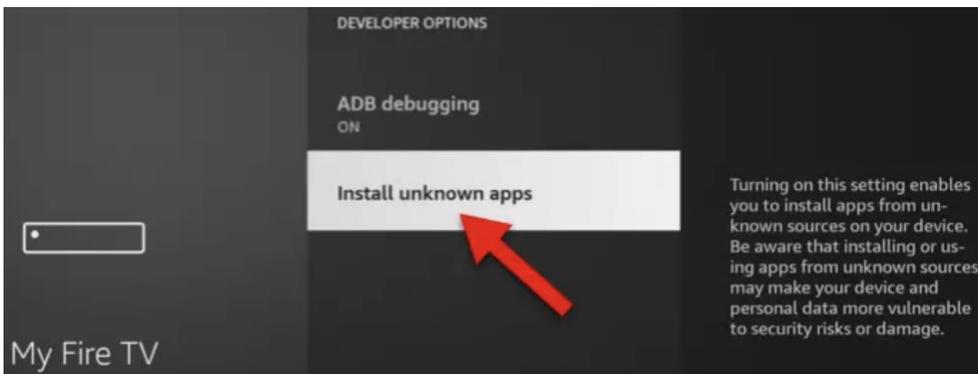

**"You'll now see a message confirming "You are now a developer".**

## 11. Now arrow back once and then, select Developer options

## 12. Click Install unknown apps which is basically allowing the installation of APK files from outside Amazon Appstore.

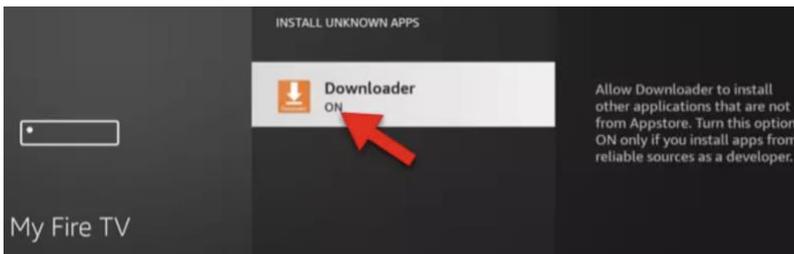

As you can see, the feature for Downloader application, which you have just installed, is disabled. "OFF"

**13.** Click, the **select** button on the remote to turn “ON”. **This will allow 3<sup>rd</sup> party apps to be installed. (NO RISK INVOLVED)**

## Choose Turn On

**14.** Now the Downloader feature is enabled. **Click the “HOME” button on your remote** and open the downloader app to proceed with installation. (If needed use the search option to find and launch Downloader.)

## 15. Now we will proceed to install PBTV App on your device.

Open / Launch Downloader then Type in 1884082 in the URL box below. Then select GO, In 5 Secs, the file will begin to download, once file is downloaded select the INSTALL option, then select OPEN. You will now see "SELECT PANEL" Choose select service for example PBTV – Live TV and enter your Username and Password, then select SIGN IN

Please note: Allow PBTV to access photos and media on your firestick device.
