

Premium Bolt TV APP install instructions:

How to Install FileLinked on **Android device.**

If you already have the downloader app installed go to **step 8.**

If you already have the Filelinked app installed go to **step 14.**

Using FileLinked app will enable you to install multiple apps at once.
Saving you time typing in multiple links

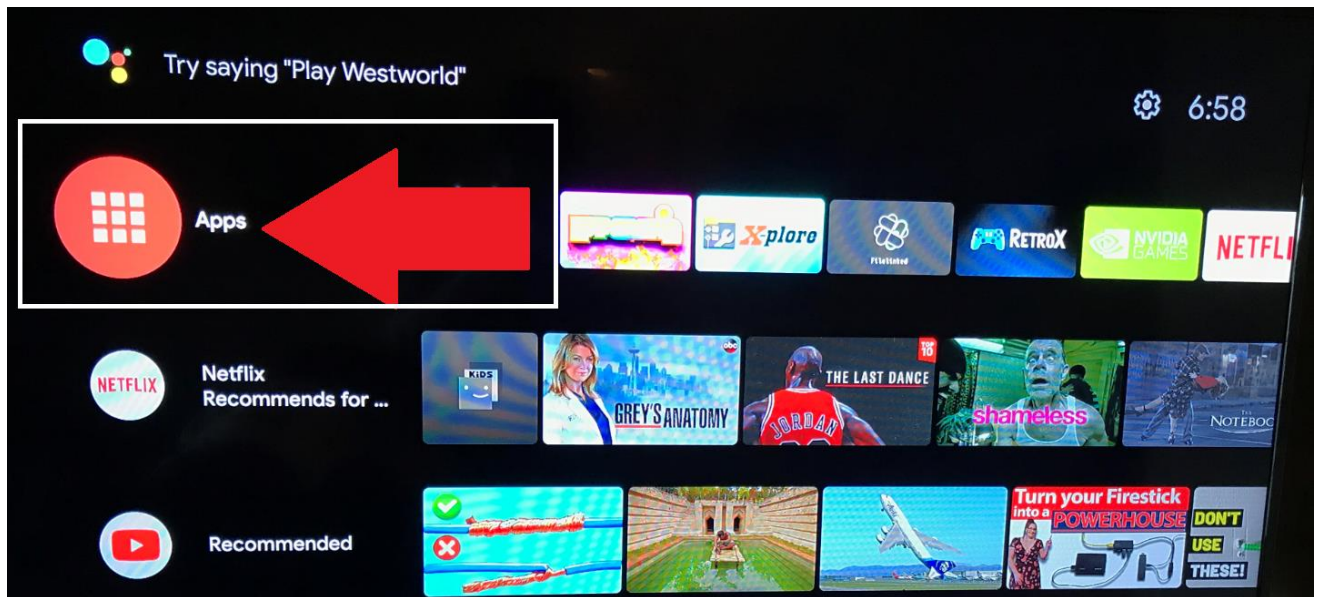

Because FileLinked has been removed from Google Play, it must
be Side Loaded onto your Android device.

To do so requires the installation of the application **"Downloader"**
which will enable us to install FileLinked app with ease.

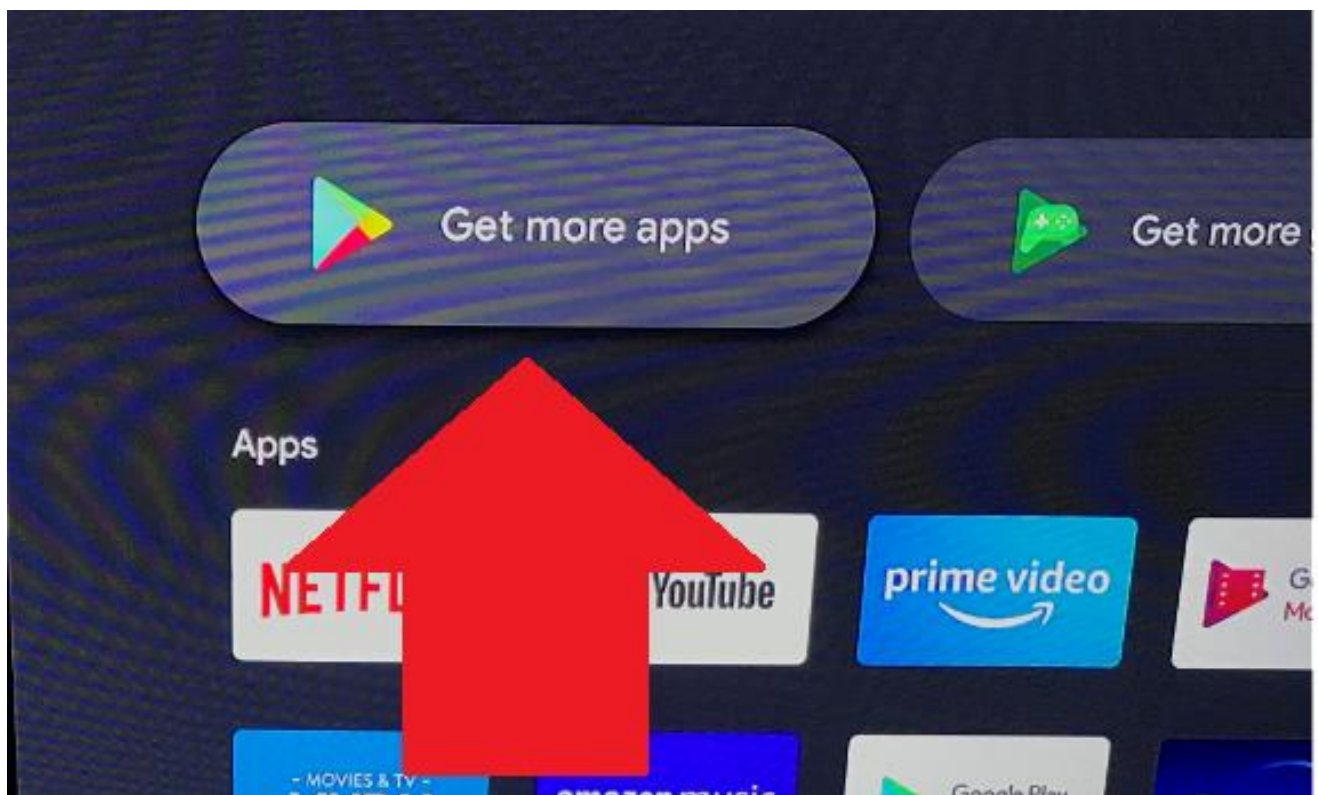

Follow the step by step instructions below to learn how to
install Downloader and FileLinked app on Android device.
